

How to Check Disk Usage of User Accounts in SmarterMail

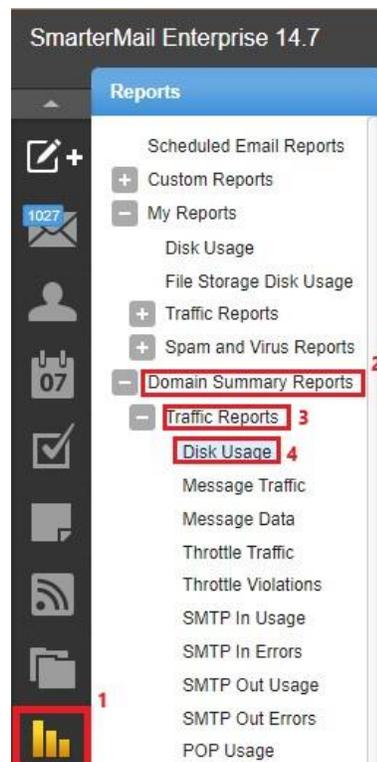

1. Login to SmarterMail using the **admin login**:-

The image shows the SmarterMail login interface. It has a blue header with the text "Login to SmarterMail". Below the header, there are two input fields: "Email Address (e.g., user@example.com)" containing "admin@justsimple.com" and "Password" with masked characters. There is a checkbox for "Remember me" and a dropdown menu for "Use Browser Language". A "Login" button is located at the bottom right of the form.

2. After successfully login, access the email account settings by browsing to

At [Reports](#) page, expand [Domain Summary Reports](#) and select [Traffic Reports](#). Under **Traffic Reports** page, select [Disk Usage](#).

3. Here you would see list of all email accounts along with disk space usage.
